

Longer Engine Life. Better Mileage.

Recommended for:

- ◆ Older Trucks, Buses, Light Commercial Vehicles, MUVs (Multi Utility Vehicles), SUVs (Sports Utility Vehicles), Off-highway equipments used in construction, mining & agriculture and DG sets requiring use of API CF-4 performance specification and SAE 20W40 viscosity oil

Benefits:

- ◆ Excellent viscosity control due to high viscosity index
- ◆ Good anti-wear and anti-corrosion properties
- ◆ Superior protection against oxidation and deposits
- ◆ Better control against soot related oil thickening
- ◆ Good engine start up under cold conditions
- ◆ Lower oil consumption

Specifications:

API	CF-4/CF
BIS	13656-EDL4

API CF-4
SAE 20W-40

QUALITY DIESEL ENGINE OIL

Available in: 210L, 50L, 26L, 10L,
7.5L, 5L, 3.5L, 1.2L(P), 1L(P), 500ml(P)
