

RAJAT

EQUIPMENTS PRIVATE LIMITED

(An ISO-certified company empowering India's construction growth since 1979)

RAJAT 
GROUP OF COMPANIES

About Us

Established in 1979 by Shri Mahaveer Golechha as Rajat Enterprises, and later incorporated as **Rajat Equipments Pvt. Ltd.** in 2006, the company has built an enduring legacy of excellence in the industrial and construction equipment sector.

For over four decades, Rajat Equipments has been one of India's most trusted and high-profile channel partners for leading national brands in heavy machinery, including those based in Faridabad, Coimbatore, and Pune. Their expertise and customer focus drive their own brand, **MKG**, which is now a leading name in construction equipment nationwide.

Our Values

At Rajat Equipments, our values define who we are and guide every decision we make.

Integrity &
Transparency

Customer
Satisfaction

Innovation &
Excellence

Commitment &
Reliability

Teamwork &
Growth

Trustworthy &
Progressive

These principles reflect our dedication to **building a stronger, smarter, and more sustainable industrial ecosystem** in India.

What We Do

Rajat Equipments Pvt. Ltd. is a leading **supplier and manufacturer** of high-performance construction and industrial equipment across India.

We are proud authorized dealers for some of the most respected names in the industry: EScorts Kubota Limited, ELGi Equipments, ELGi Sauer Compressors, **BKT-OTR Tyres**, Raj Petrochemicals, Kyros, Onwo, **Castrol** and **Motul Lubricants**, delivering superior products and after-sales support to customers nationwide.

Our in-house manufacturing division, established in 2006, specializes in a wide range of **Pressure Vessels**, **Material Handling Equipment**, and **Compaction Machinery**.

Our Flagship Brand

Built on the legacy of Rajat Equipments, **MKG** is our flagship manufacturing brand dedicated to light- and medium-construction equipment. Founded in **2010**, MKG combines indigenous innovation, modern manufacturing, and decades of industry expertise to deliver **30+ world-class products** that support material handling, concrete mixing, rebar processing, compaction, and vertical transportation. Today, MKG is a trusted partner for infrastructure developers across India, backed by a robust dealer network and responsive after-sales support.

Founder's Message

Shri Mahaveer Golechha

Founder & Managing Director,
Rajat Equipments Pvt. Ltd.

“When Rajat Equipments was founded in 1979, our vision was simple: to serve India's growing infrastructure and industrial needs with trust, quality, and innovation. Over the years, that vision has evolved into a mission that drives every aspect of our organization.

Our journey from a small trading enterprise to a diversified engineering and equipment company has been defined by perseverance, relationships, and an unwavering belief in progress.

I thank our employees, partners, and clients for their continuous faith in us. The future we build together will be stronger, more advanced, and proudly Indian.

Director's Message

Shri Malay Golechha

Director, Rajat Equipments Pvt. Ltd.
& Founder, MKG

“Rajat Equipments is proud to contribute to India's growth through projects, machinery, and innovation, with our flagship brand MKG and other key partnerships. Our business is built on providing reliable solutions and fostering trust in relationships.

MKG, born from this very foundation, reflects the same values of innovation, engineering excellence, and customer-first thinking. Today, MKG stands as a pan-India brand, and its journey remains one of our proudest achievements. Our commitment drives the expansion of Rajat Equipments and MKG as we meet India's industrial and infrastructure demands.
